Tasting Notes

Colour Intense, brilliant, bright and very clear amber.

Nose Very generous bouquet with notes of walnut that reveals an intense vinosity acquired over the course of many years of ageing in oak butts. It inundates our olfactory sense with elegance and finesse.

Mouth Very intense to taste, slightly velvety, with a long and pleasant permanence on the palate. It is inviting to taste in short sips to better appreciate its ample ageing.

Food Pairing Perfect accompaniment to mature cheeses, red meat and game.
